

# NEXT LEVEL SOCCER ACADEMY

## Recreational Soccer League

### Designed to prepare your child for competitive soccer

The 2010 Spring Recreational League is a Development League designed to help your child improve their soccer skills in preparation for club tryouts. These sessions will be taught by the NLSA coaching staff which have trained 100's of club players and is regarded as one of the top soccer training academy's in Lake County.

- Games are part of the training supervised by NLSA Coaches and Staff
- Training Clinics Before Games
- Maximize your child's potential as they prepare for club soccer
- Focus on foot skills and Soccer Development needed for the next level
- All levels welcome - only requirement is desire to prepare for competitive soccer

**Please Call (773) 807-4318 or email [peter@nlsacademy.com](mailto:peter@nlsacademy.com) for more information**

*Through a better understanding of the game of soccer & proper use of technical skills, training programs are designed to help every player achieve new levels of play. We want our players to know which skill to use & why that skill is appropriate.*
